### **Notes on the 2021-2022 Academic Calendar**

In an effort to provide families with information to help plan for the upcoming school year, Intercultural has prepared the academic calendar as well as possible, in as far advance as possible. This calendar is subject to change due to developments with the COVID-19 pandemic or other unforeseen circumstances. We will communicate changes as swiftly as possible should this occur.

This calendar applies to all students in our Primary, Elementary and Middle School programs at both campuses. The Little Apples program utilizes an annual calendar rather than an academic year calendar.

We have added Grandparents Day on November 10th, 2021.

Events on the calendar may be held in-person or virtually. As the dates approach we will determine the safest and best way to host each event.
