## Montessori Language School

### Math Specialist Job Description

The role of the Math Specialist is to provide individual or small group instruction to students who are in need of more attention in math. Strong candidates enjoy differentiating instruction in order to target specific learning goals, developing strong connections with students and teachers through consistent and positive communication, and working closely and actively as a member of a team. The individual works with the Elementary and Middle School Director to ensure lessons support the Montessori curriculum.

#### About Our School

Intercultural is a Dual Language Montessori School for students aged 2 through the 8th Grade. Our unique program combines dual language education with the Montessori approach. We develop global citizens ready to succeed in the multicultural, multilingual world of the future. Our school is a diverse international community and a wonderful place to work!

#### Essential Duties and Responsibilities:

- Uses school assessment data as a guide to provide targeted instruction
- Aligns instruction with standards, and student data
- Communicates regularly with the teacher regarding student progress
- Continuously monitors progress of students and adjusts instruction, groupings, etc. accordingly
- Provides support for all levels of Elementary Mathematics
- Other duties as required

#### Preferred Certification and Experience:

- Experience as a Elementary and/or Middle School math teacher (grades 4-9)
- Proven track record of successfully supporting students in math

#### Qualifications:

- Bachelor's Degree required
- At least 1 year of teaching experience required
- Professional Educator License (Illinois Teaching License)
- Montessori Trained preferred
- Authorized to work in the US

**Schedule:** Full-time, 10-month contract (September to June)
