## Montessori Language School

This letter is to inform you of the asbestos management plan within Intercultural Montessori Language School. It has been determined by the Illinois Department of Public Health (IDPH) and the Environmental Protection Agency (EPA) that asbestos is a potential health hazard, and precautions should be taken to avoid disturbing any asbestos containing materials.

As required under the AHERA regulations, Intercultural has been inspected for asbestos. The AHERA law requires that visual surveillance of asbestos containing areas be completed every six months, with a re-inspection conducted every three years. Any evidence of disturbance or change in condition will be documented in the Asbestos Management Plan as required.

The Inspection/Management Plan is available for public review at each respective campus. Should you wish to review the plan, please call to make an appointment between 8:00 am to 3:00 pm.
