Yoga

Yoga is about noticing our big feelings. We explore yoga through moving, stretching, posing, and breathing. Each class includes a warm-up, songs complete with yoga poses, breath-work, a balancing series, and relaxation. We focus on fun and listening to our bodies while we pose and relax.

Martial Arts

Martial Arts teaches a blend of Karate, Taekwondo, Kickboxing, and Krav Maga. In addition to martial arts, we teach children self-confidence, focus, positive self-image, and social responsibility.
